The 16th edition of Art Cinema = Action + Management promises to bring you the latest tools and trends to successfully manage and relaunch your cinema. With its tailored workshops, round-tables and networking sessions ACAM is the only international training course of its kind! ACAM offers young cinema professionals from around 30 countries to work together for one week and discuss the challenges and opportunities of running an independent art cinema.

“One of the main benefits of the training was the opportunity to network and learn about the different contexts in which all participants work. It was very inspiring to hear success stories and learn from others’ challenges.”

NAWARA SHOUKRY, ZAWYA CINEMA, EGYPT

“I have learned a lot about different cinema cultures around the world; communication, time management, teamwork, conflict resolution and much more.”

ANNA FRIEDERIKE WITTKOWSKI, LICHTBURG PALAST OBERHAUSEN, GERMANY

“I had the most amazing time at the CICAE. Having the time to reflect, share and make new contacts in a magnificent setting has given me renewed energy, fresh perspectives and new friends.”

JENNIFER SKINNER, SCREEN ARGYLL, UK

ACAM is a CICAE project co-funded by
Creative Europe MEDIA Programme, with the support of FFA and CNC.
